▲ The dimensions stated for this floor plan are approximate because there are various recognized method calculating the square footage of a unit. The square footage stated here is calculated from the exterior boundar the exterior walls to the centerline of interior demising walls without deductions for cutouts, curves, or architer features. This method typically results in quoted dimensions greater than the dimensions that would be determ by using other accepted methods. The definition of "Unit" and the calculation method to be relied upon is set by the Developer in Developer's prospectus which method may result in a square footage calculation less the result of the calculation method used here. Renderings depict features not included with purchase, but ware available at an additional cost such as wine bar and closet millwork among others. Consult the Devel prospectus to learn what is included with thur purchase and to understand Unit dimensions. 2023 © HILLSE MILE PROPERTY OWNER, LLC, with all rights reserved.
